Neil Joseph

Kerala, India - +91 9846604053 - nj6604053@gmail.com - LinkedIn - GitHub

Enthusiastic Computer Science undergraduate with a focus on Artificial Intelligence, skilled in Python, TensorFlow, Gemini and LangChain. Committed to leveraging AI to solve real-world problems and drive technological advancement.

SKILLS

- Problem solving
- Programming in Python, c, java
- AI and ML implementation
- Researching
- Team management
- Leadership

KEY ACHIVEMENTS

- Reached Top 10 teams in the first ever IBM watsonx challenge held at IBM kochi
- Selected for state level 3D animation camp organized by KITE at Kerala StartUp

EDUCATION

Adi Shankara Institute of Engineering and Technology ,Kalady   2022 - 2026

B tech ,Computer Science , Artificial Intelligence | CGPA: 9.0 / 10.0

PROJECT

- Automated Attendance monitoring using Ai
- Hand gesture controlled Ui with voice assistant
- Custom Ai assistant using RAG
- Sustainable project management using IBM WatsonX
- Environmental awareness using AR game

ADDITIONAL SKILLS

Internet of things (IOT), Electronics, 3D modeling and animation, Film making, 3D printing, Web app development, AR/VR presentation

LANGUAGES

- English
- Malayalam
- Hindi
